

STONEHORSE HOA

Spring Updates

Main Entrance Fountain

Mission Landscaping is working very hard to identify and repair a large leak. The fountain is scheduled to be turned on when this is fixed.

White Top Weeds

White Top weeds have been identified on Stone Horse Dr and Eagle Crest Dr. Various lawn care and weed professionals have been consulted and it is recommended to address the weeds via spraying next year. We will send out a notice prior to spraying so homeowners can make arrangements to keep their pets and children indoors.

Black Top Paving Project

The paving project for Stone Horse Dr. and Eagle Crest Dr. is scheduled to be completed by the end of June 2022. The details for this project was included in the Special Assessment notice that was mailed to all home/lot owners last month.

A friendly reminder that our Annual Meeting is scheduled for JULY 13 from 3-5 PM at the Polson Library!
